- This does not apply to passengers permanently residing in the Russian Fed., as well as transiting through airports without entering the Russian Fed.

RWANDA -- published 22.04.2020

1. Flights to Kigali International Airport (KGL) are suspended.
2. Nationals and residents of Rwanda will be subject to a mandatory 14-day quarantine at designated locations.

SAMOA - published 21.03.2020

1. All travelers, including returning residents entering Samoa, must have a medical certificate issued by a registered medical practitioner issued within 3 days before their arrival into Samoa.
2. Passengers who have transited through or have been in Australia, Austria, Bahrain, Belgium, Canada, China (People's Rep.), Chinese Taipei, Czechia, Denmark, France, Germany, Greece, Hong Kong (SAR China), Iceland, Italy, Iran, Japan, Korea (Rep.), Kuwait, Luxembourg, Macao (SAR China), Malaysia, Netherlands, Norway, Qatar, Singapore, Spain, Sweden, Switzerland, Thailand, United Arab Emirates or USA are not allowed to enter Samoa.

Passengers must:

- a) Spend at least 14 days in self-quarantine in a country of last port and must have a Medical Clearance within (3) days prior to final route to Samoa. This must be their final stop before travelling to Samoa.
 - b) Provide proof of test results done within 5 days for the Coronavirus (COVID-19). Passengers with Coronavirus (COVID-19) positive test will not be allowed to enter Samoa.
3. All travelers, including returning residents entering Samoa, are required to undergo medical examination by a Registered Medical Practitioner within 3 days before arrival. Medical clearance report is required for check-in prior to issuing of boarding passes.
 4. All travelers entering Samoa, including Samoan passport holders who are permanent residents of American Samoa, are required to have medical examination within 3 days before entering. It has to be signed by the attending physician and counter-signed by the Motusa Tuileama Nua, Director of Public Health, American Samoa.
 5. Compulsory screening of all arriving passengers and crew to Samoa is in effect at all ports of entry. All are required to comply and produce additional documents when asked.
 6. A Special Health Declaration Card has to be filled out by all passengers inflight or on arrival in to Samoa.

SAMOA (AMERICAN) - published 18.03.2020

1. Nationals of the USA and residents of Samoa (American) who transited or have been in Arizona,

California, Florida, Georgia, Hawaii, Illinois, Massachusetts, New Hampshire, New York, North Carolina, Oregon, Rhode Island, Texas, Washington or Wisconsin, are subject to Public Health screening and might be medically or home quarantined.

2. Entry Permits, issued by Samoa (American) instead of visas, are suspended.

- This does not apply to residents of Samoa (American) with residence permit or an Immigration Board approval.

3. Passengers arriving from Samoa must:

- obtain a health clearance from Ministry of Health (MOH) 3 days prior to arrival;

- present a completed "DOT Travel Declaration Form" upon arrival.

4. Passengers who transited or have been in countries affected by Coronavirus (COVID-19), when arriving from Hawaii, must:

- spend 14 days in Hawaii; and

- obtain a health clearance 3 days before arrival in Samoa (American); and

- present a completed "DOT Travel Declaration Form" upon arrival; and

- provide itinerary upon arrival.

SAUDI ARABIA -- published 28.04.2020

1. Passengers are not allowed to enter Saudi Arabia.

- This does not apply to nationals of Saudi Arabia.

2. Airline crew are subject to quarantine for 2 weeks upon arrival if they passed through the passport control in a country with an ongoing Coronavirus (COVID-19) outbreak in the past 2 weeks.

Flights to Senegal are suspended.

SERBIA - published 18.03.2020

1. Passengers are not allowed to enter and transit Serbia.

- This does not apply to nationals and residents of Serbia.

- This does not apply to passengers with a special permission issued by the Ministry of Health, the Ministry of Foreign Affairs, the Ministry of Interior or the Ministry of Construction, Transport and Infrastructure.

- This does not apply to accredited members of diplomatic missions, international organizations, humanitarian missions, and their family members.

2. Nationals and residents of Serbia arriving from Austria, France, Germany, Greece, Iran, Italy, Romania, Slovenia, Spain or Switzerland are required to self-isolate for a period of 28 days.

3. Nationals and residents of Serbia arriving from any other country are required to self-isolate for a period of 14 days.

4. Accredited members of diplomatic missions, international organizations, humanitarian missions, and passengers with a special permission issued by the Ministry of Health, the Ministry of Foreign Affairs, the Ministry of Interior or the Ministry of Construction, Transport and Infrastructure, and their family members, arriving from Austria, France, Germany, Greece, Iran, Italy, Romania, Slovenia, Spain or Switzerland are required to self-isolate for a period of 28 days.

5. Accredited members of diplomatic missions, international organizations, humanitarian missions, and passengers with a special permission issued by the Ministry of Health, the Ministry of Foreign Affairs,

the Ministry of Interior or the Ministry of Construction, Transport and Infrastructure, and their family members, arriving from any other country are required to self-isolate for a period of 14 days.

SEYCHELLES -- published 06.05.2020

1. Seychelles (SEZ) is closed.

- This does not apply to emergency diversions.

- This does not apply to special mission flights that are approved (MEDEVAC).

SIERRA LEONE --- published 26.03.2020

1. Passengers who have transited through or have been in any country with 50 or more confirmed cases of Coronavirus (COVID-19) in the past 14 days are required to enter facility quarantine for maximum 14 days.

2. Passengers who have transited through or have been in any country with less than 50 confirmed cases of Coronavirus (COVID-19) in the past 14 days are required to undergo home quarantine for maximum 14 days.

SINGAPORE - published 29.04.2020

1. Passengers traveling as short-term visitors are not allowed to transit or enter Singapore.

- This does not apply to returning residents of Singapore (Singapore Citizens, Permanent Residents or passengers with a Long-Term Pass (including passengers with a Work Pass, Student's Pass, Dependent's Pass, and Long-Term Visit Pass)). Upon entry into Singapore, they must serve a 14-day self-isolation at dedicated Stay-Home-Notice (SHN) facilities.

- Passengers with a new or existing Work Pass will be allowed entry if they have an approval letter from the Ministry of Manpower (MOM) or the Immigration and Checkpoints Authority (ICA).

- Passengers with a Long-Term Visit Pass (LTVP) or a Long-Term Visit Pass In-Principle Approval (LTVP IPA) issued by the Immigration and Checkpoints Authority (ICA), will be allowed entry if they have an Approval Letter for Entry (ALE) issued by the Immigration and Checkpoints Authority (ICA).

- Passengers with a Student's Pass (STP) or a Student's Pass In-Principle Approval (STP IPA), will be allowed entry if they have an Approval Letter for Entry (ALE) issued by the Ministry of Education (MOE) or the Immigration and Checkpoints Authority (ICA).

2. Short-term visitors will be allowed entry into Singapore if they have an Approval Letter for Entry (ALE) from the Immigration and Checkpoints Authority (ICA), Ministry of Trade and Industry (MTI), Ministry of Foreign Affairs (MFA) or the Ministry of Health (MOH). They could still be subjected to the prevailing health screening requirements upon entry. Possession of an Approval Letter for Entry (ALE) does not guarantee the issuance of a Visit Pass to enter Singapore.

3. Passengers entering Singapore, including Singapore Citizens, Permanent Residents and passengers with a Long-Term Pass (LTP), must submit a health declaration. This can be done via the SG Arrival Card (SGAC) e-Service (https://eservices.ica.gov.sg/sgarrivalcard) or via the mobile application (to be downloaded from Apple AppStore or Google Play).

4. Airlines must inform passengers to submit their health declaration via the SG Arrival Card (SGAC) e-Service before arriving in Singapore.

5. The paper-based embarkation/disembarkation card is discontinued. All airlines must stop distributing these cards for flights planned to arrive in Singapore on or after 27 March 2020, 0900 hours.

6. Airline crew of foreign airlines, who are Singapore Citizens, Permanent Residents or long-term pass holders entering Singapore, will be issued with a Stay-Home Notice (SHN). Such crew with travel history to Brunei Darussalam, Cambodia, France, India, Indonesia, Lao People's Dem. Rep., Malaysia, Myanmar, Philippines, Switzerland, Thailand, USA, United Kingdom or Viet Nam within the last 14 days must serve the SHN at Crowne Plaza Changi Airport. Those who do not have travel history to the listed countries within the last 14 days may serve the SHN at their residence in Singapore. The SHN must be served until their next departure flight out of Singapore or for 14 days, whichever is earlier.
7. Airline crew of foreign airlines, who are not Singapore Citizens, Permanent Residents or long-term pass holders, will not be allowed to enter Singapore, or transit through Singapore. This does not apply to flights that require a layover due to flight time limitations or an aircraft-on-ground (AOG) situation in Singapore. In this case, airlines may layover their flight and cabin crew at Crowne Plaza Changi Airport. They will be issued with an SHN which shall be served until their next departure flight out of Singapore.
8. For flights that require a layover due to flight time limitations or an aircraft-on-ground (AOG) situation in Singapore, airlines may layover their flight and cabin crew at Crowne Plaza Changi Airport. They will be issued with an SHN which shall be served until their next departure flight out of Singapore.

SLOVAKIA -- published 07.05.2020

1. Passengers are not allowed to enter Slovakia.
 - This does not apply to nationals and residents of Slovakia
2. Nationals and residents of Slovakia must register at least 72 hours prior to arrival at <https://navraty.mzv.sk/?lang=en>
3. Upon arrival returning nationals and residents of Slovakia are subject to Coronavirus (COVID-19) tests at the official state sanitary facility. Based on tests results, passengers must be in quarantine:
 - at home for a total of 14 days, including time spent at the state sanitary facility, or
 - at state sanitary facility where the quarantine time could be longer than 14 days.
